Journal of the North for Humanities

About

The Journal of the North is concerned with the publication of original, genuine scholarly studies and researches in humanities both in Arabic and in English. It publishes original papers, review papers, book reviews and translations, abstracts of dissertations, reports of conferences and academic symposia. It is a biannual publication (January and July).

Vision

The journal seeks to achieve leadership in the publication of refereed scientific papers and rank among the world's most renowned scientific journals.

Mission

The mission of the journal is to publish refereed scientific researches in the field of humanities according to well-defined international standards.

Objectives

The Journal of the North aims to:

1. Serve as a scholarly academic reference for researchers in the field of humanities and social science.
2. Meet the needs of researchers, publish their scientific contributions and highlight their efforts at the local, regional and international levels.
3. Participate in building a knowledgeable community through the publication of research that contributes to the development of society.
4. Cover the refereed works of scientific conferences.

Terms of Submission

1. Originality, innovation, and soundness of both research methodology and orientation.
2. Sticking to the established research approaches, tools and methodologies in the respective discipline.
3. The manuscript must not be published or not submitted for publication elsewhere.
4. The manuscript must not be extracted from a thesis/ dissertation.
